Hi Jennifer – I left the files with Melinda Wong on the 14th floor. You need to check with her about your options for scanning/copying. I have copied her on this email; She is out today but back in the office tomorrow. Regards, Naomi

Morning Naomi,
Sorry for the late response – I didn't update my out-of-office message.

I really appreciate you finding those boxes of Cargill documents and I would like to come by to take a look. While we are primarily focusing on south bay, I do think there is merit in reviewing the north bay work as well. I could come by Tuesday afternoon or Friday, which ever works best. Would I be free to scan any relevant public documents and send to myself?

Thank you,
Jennifer
